

Long Term Maintenance and Operation Plan

This project anticipates an addition of 1,781 sq. ft. to the library. Maintenance and operation costs, while negligible, will be absorbed by library operating budget with the support of the City Council.

It is anticipated upon the completion of this project, the library will take 3-5 years to fill the collection space to meet the goals of the project. It is then anticipated that a new library in a separate facility will be necessary 10-15 years after that point in order to meet the demands of the community. Should Alpine or Cedar Hills wish, a joint-use facilities may be designed and utilized, provide a long-term support agreement could be reached.
